The property was too good, well maintained, cosy and as shown in the photos. All the rooms were so beautifully furnished and cleaned. The swimming pool was cleaned everyday in the morning and the water was good. The electronics in the property were so good and up to date.

The care given by staffs Subendar and Mamta was great. Their cooking was so good making our breakfast delicious and healthy. They made sure the property is clean all through our stay.

Overall coordination, care and support by Elodie was good and ensured our stay experience was great.

Beautiful house, well decorated and with all mod cons and super pool.

Villa is near to all the hustle and bustle of Candolim and walking distance from the beach without being noisy.

Would visit again and highly recommend. Staff were brilliant and super helpful.
